The Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Bill:

For the past year or so I have been working on a television series, "Above and Beyond the Call of Duty."

It is something that is very close to the President's heart, (note enclosed.) Unfortunately, it is on hold right now.

STAT

Recently he contacted me about a positive motion picture on the CIA to be produced by MGM.

Best regards Bill.

Sincerely,
